## From Your President

This semester will be 22 years of our Academy of Lifelong Learning. I am so proud of our growth and recognition. The wonderful members, Franciscan University, and Board are the reason for each blessed step up we have made. All challenges demand new decisions, moving forward, and growing was my agenda as President. I thank each and every one of you for making that possible. I'm looking forward to another semester of meeting new members and presenters as well as welcoming our familiar family. If you have any ideas on making our Academy better, or any questions, please feel free to get in touch with me.

## Reminder

The \$60.00 per person (\$100.00 for married couples) membership fee entitles you to any and all classes. There is a 10% discount for enrolling a new member. A registration form is enclosed. Please bring it with you to the Open House or mail it to the address on the form with your check made payable to "A.L.L."

**Fees are due before classes begin**

## Student Assistance Fund

We will be holding a 50-50 raffle and Chinese Auction at the Open House. The money raised is used to benefit a non-traditional student at FUS who is working toward a degree. This financial help has proven so valuable and life changing to those who have received it in the past. Your support of this worthwhile venture is greatly appreciated and encouraged. If you have donations, please call Donna Lucas at 740-282-9502.

## Guests

We have a new policy on guests this semester. To be fair to our membership, **No** guests will be permitted to any classes. Thank you for following our new policy.
